the band in an artistic direction

The Goal of a visual director is to get the band
Looking uniform and together while on the feild

The goal of a music director is to make sure the
music sounds good whle on the feild

The goal of a effect director is to make sure
the visuals and music come together to create
an impactfull effect

the goal of the marching band is to play a show
for the gudges in order to win a competition

The goal of the jugdes is to rate the marching
bands on how well they exicuted a set of criteia

A visual judge judges the visuals of a band

an effect judge judges the general effect and impact
of a band

a music judge judges the music of a band

Instraments make up a band providing different sounds
tones and textures to the band.

Students are the ones who make up and play 1 or more
instraments in a band

Percussion instraments are made up of instraments that
make sound when hit

Brass instraments are metal instraments that use buzzing
to make sound

Woodwind instramints are made off wood, and use wind
to make sound
